

## **Galioto's Luncheon Banquet Menus**

Thank you for choosing Galioto's Twelve21 for your luncheon! Meg Galioto, your banquet coordinator, will be available for all of your questions and is on hand to help you coordinate your function.

All guests have the option of "Sit Down" luncheon events or "Buffet Style" events.

### **Buffet Luncheons**

(All luncheons served between 11:00 am – 3:00 pm)

Buffet luncheons allow your guests to sample the many different tastes, colors and textures of delicious foods offered at Galioto's Twelve21.

The first course on our hot buffet is a house garden salad and hot rolls served right to the table. After the first course is served and cleared, guests may take a plate and help themselves to a variety of hot and cold offerings.

For a hot buffet luncheon, you, the party planner, may choose two "entrée" selections and three "cold tray/salad" selections. All hot buffet luncheons include fresh, hot vegetables and coffee or iced tea.

Please contact Meg with your choices and questions. We'll be happy to help you design your buffet.
