

## **Galioto's Luncheon Banquet Menus**

Thank you for choosing Galioto's Twelve21 for your luncheon! Meg Galioto, your banquet coordinator, will be available for all of your questions and is on hand to help you coordinate your function. All guests have the option of "Sit Down" luncheon events or "Buffet Style" events.

### **"Sit Down" Luncheons**

(All luncheons served between 11:00 am – 3:00 pm)

"Sit Down" banquets at Galioto's are delicious, beautifully presented and relaxing. All "entrée" selections include a hot, fresh vegetable. The first course will be our house garden salad. Hot dinner rolls will be placed on every table. Our wait staff will be happy to serve cocktails, pour wine and clear your dishes when needed. Coffee and dessert will also be served to the table, if you so desire.

For a "sit down" luncheon, you, the party planner, may choose up to three options from our banquet menu for your guests. Once the selections have been made, the party planner must inform all guests of their menu options and keep a tally of selections. The party planner is then responsible for calling in the finalized menu and estimated guest count two weeks in advance of the reserved date. The minimum guarantee is due three days prior to the event. The party planner must have place cards made for each guest stating their name and the entrée ordered. Please contact Meg Galioto if you have any questions about the menus or procedures.
