**Vote: Approval of Minutes** – approved without any changes

**CE Impact Framework Impact Area Workgroup**- Mary Ann Priester

- CofC created smaller work groups to work on specific impact areas of the framework. One of those impact areas is CE. MaryAnn has been asked by the CofC to lead this group.
- MaryAnn asked for volunteers to be on the work group. She is sending out a doodlepoll for those interested in joining the work group.

**Back to Home Trainings** – Erin Nixon

- RRH and Prevention projects funded through the additional state ESG funds will be using the back to home model for service delivery. By opting into this model, the C of C will be able to utilize some additional supports, landlord incentives, Technical Assistance, and streamlined inspections.
- Training for CE and HMIS staff is coming to learn more about the back to home model and how it will work specifically with our CE system. – there is a call this week to provide some additional information and Technical Assistance to do a deeper dive into our CE system and how back to home will work with our system.
- August 11<sup>th</sup> – training for CE/HMIS team which will include training on the prioritization process as well.

**Update on the Prevention Study** - Roslyn Allison – Jacobs

- Appreciative Interviews is the next phase of the study. She will be reaching out to agencies for assistance in this next phase of the study. The Appreciate interviews are a grassroots method to capture the stories of those that have self- resolved their homelessness.
