

Guide: Discbound Customizable Notebook System

I recommend a *Discbound Customizable Notebook System*. This notebook or planner system is highly functional, versatile, and customizable. There are several brands and resources that use the discbound system, allowing you to customize a system and style that works for you.

Why I like it

- ✓ Fully customizable
- ✓ Different sizes, colors and materials are available
- ✓ Lots of accessories (expansion discs, rulers, plastic sleeves, dividers)
- ✓ You can download or design your own pages and add them to the system
- ✓ Expandable
- ✓ Reusable
- ✓ Stylish
- ✓ Affordable
- ✓ Interchangeable with other brands
- ✓ Ability to customize inserts or find free templates that have been created by others online
- ✓ Functionality – pages easily slot into circular expansion discs and are just as easy to remove
