

DECEMBER 16th and 17th, 2014 – KITTY HAWK, NC
FIRST FLIGHT SOCIETY 111th CELEBRATION OF THE FIRST FLIGHT
FRIENDS OF THE FIRST FLIGHT SOCIETY SPONSORSHIP OPPORTUNITIES

Organizations from the aviation community and area businesses sponsor and underwrite the majority of First Flight Society activities and programs throughout the year at the Wright Brothers National Memorial, especially December 16th and 17th, as well as the everyday. This allows First Flight Society to be stewards of the Wright Brothers' Legacy, and expand our programs in aviation and aviation education. Sponsors are undeniably a major part of what makes First Flight Society work. You, our Sponsors and Contributors, make our Programs happen! Thank you! We welcome your support of the Wright Brothers' 111th Anniversary of Powered Flight as well as programs throughout the year including Wilbur's Birthday Celebration, the annual Art Contest, National Aviation Day (Orville's Birthday) and Educational programs.
