Mariet Ostos – CEO de Success Business Solution, Inc.

## *Roger Chinchilla*

Roger is a co-founder of Refundo and currently serves as Chief Executive Officer, a role he has held since the company's inception in 2011. Prior to Refundo, he owned and operated multiple tax offices and Service Bureau. Roger studied Accounting at Queens College and Computer Science at NYU. Roger is a passionate software developer, and currently resides in Millburn, New Jersey with his wife and two children.

## *Claudia M. Saenz, EA*

Claudia Saenz founder of Tax Solutions & Bookkeeping in Orlando FL has more than 30 years of experience in the auditing, tax preparation and accounting business in both Colombia and the United States. She has a Degree in Business Administration with emphasis in Finances and Fundamentals of Financial Management in Colombia and she is an IRS Enrolled Agent and certified QuickBooks Pro Advisor in the United States. Her true passion is to understand the real needs of entrepreneurs and to generate effective solutions which contribute to small businesses development, their start-up and growth processes, and compliance to tax regulations. Also, to help foreigners, especially the Brazilian and Latino communities in Florida, to understand and comply with tax regulations. The success of her career and her business, is in the commitment, the love and the passion for all the activities developed in her company.

## *Mariet Ostos*

A dreamer, a hard worker, a motivator, a leader, are just a few words that uphold the standards to describe who I am as a person. My name is Mariet Ostos and I grew up in Caracas, Venezuela, I decided to follow the footsteps and legacy of my mother to studying Accounting. I am a Quickbooks proadvisor since 2008 I am dedicated to teach and give value to my latino community on how to used the program correctly and how to read and understand their financial statements. I am also a Life coach since 2014, later I got an Emotional Intelligence certificate and then I was inspired to join the John Maxwell team to provide more tools to business owners.
