

CNAMF Grant Application Guidelines

- A. Provide background information on your organization.** State your organization's mission. Give a brief history and include any major accomplishments.
- B. Tell us about your organization and its structure.**
1. Describe your core group, instructors, staff, trainers, etc.
 2. List members of your governing body or Board of Directors.
 3. Describe your organization's decision-making process.
 4. Is Native American leadership present in your organization?
 5. Do you collaborate or network with other organizations?
 6. Provide a brief description of what your organization will look like 3 or 5 years from now.
- C. Guiding Philosophies**
1. Describe what Native American leadership means in the context of your organization's community, project, and purpose.
 2. Briefly explain how your organization fits our funding priorities and how this project or ministry compliments CNAMF's mission statement.
 3. Describe how your project will create changes in church or society, as opposed to individual change.
- D. Project, Program, or Ministry**
1. Describe the need for which you are requesting funds.
 2. State the goal(s) of your project. Please list dates of activity and/or completion of goals.
 3. How will your project encourage, support, recruit, train, mentor, or mold Native American leadership for church and society?
 4. List any anticipated "in kind" contributions this project will receive from parent or partners organizations, tribes, churches, donors, and volunteers.
 5. Is there an evaluation plan to measure the program's progress and/or success?
