

Partners in Preparedness

Serving the Whole Community

11 - June - 2015

Agency Mission

Department of Emergency and Military Affairs

The Department's mission is to provide military and emergency management capabilities to citizens of Arizona and the Nation

Whole Community

Partners in Preparedness

“It is time children, people with disabilities or any other segment of our communities who have traditionally been underserved, to be more fully and consistently integrated into preparedness and planning efforts at every level of government.” - Craig Fugate, FEMA
