- **For All Players**
  - Must have ½ in between each court times
  - 8AM-10AM space 1/2 hour
  - 10:30AM-12:30PM
  -
- Encourage players to change grips after they play or sanitize, may want to encourage them not to bring bags but only bring balls, racket, towel, and water
- No shaking of hands or close contact at anytime
- Bring your own water/ice in a container
- All players must give name and number at reservation in case contact is needed
- Players encouraged to bring own hand sanitizer and use at each “change-over” break – cross over individually or remain on same side
- Play on every other court
  - On a 2 court bank one net would be down or on a row of courts every other net would be down
- Players promptly leave the courts to go to vehicle after match, no visiting on courts or parking lot allowed
- Players bring their can of balls, marked, and take home with them do not leave
  - The other player does not touch the other players tennis balls at any time
  - They can use their rackets to hit the balls back to the other side of the court

### • Facility Environment

- Take down gates or chain open so they cannot be closed
- Remove all outdoor seating or rope off
- Take scoreboards down
- Players have separate benches.
  - The benches from the courts down could be moved over so each would have their own
- Benches are wiped down with a sanitized formula cleaner by the player and disposable cloth thrown in a designated bin.
- No water or ice available from facility
- Restrooms (this may vary between facilities)
  - **OPTION A** CLOSE Restrooms
  - **OPTION B** – Only have 1 stall available, have seat covers for ladies, ask for them to sanitize after and have staff clean 2-3x daily
