SLEEP INSTITUTE of NEW ENGLAND

The Epworth Sleepiness Scale

How likely are you to doze off or fall asleep in the following situations, in contrast to feeling just tired? This refers to your usual way of life in recent times. Even if you have not done some of these things recently try to work out how they would have affected you. Use the following scale to choose the most appropriate number for each situation.

0 = No Chance of Dozing

1= Slight Chance of Dozing

2 = Moderate Chance of Dozing

3 = High Chance of Dozing

Situation	Chance of Dozing
Sitting and reading	
Watching television	
Sitting inactive in a public place	
As a passenger in a car for an hour without a break	
Lying down to rest in the afternoon when circumstances permit	
Sitting and talking to someone	
Sitting quietly after a lunch without alcohol	
In a car, while stopped for a few minutes in traffic

Insurance Policy

If you have insurance, we will assist you to receive maximum benefits but we do not guarantee any information we are given from your insurance company. It is the patient's responsibility to call and know what your benefits are and to know if you have used any of your maximum allowance or if you have a co-payment or deductible. We require your co-payments to be paid at the time of service. The balance is your responsibility whether your insurance company pays or not. Pre-estimate of benefits is never a guarantee of payment by your insurance. At the time of your appointment, **please let us know of any insurance changes you may have had since your last visit.**

Your insurance policy is a contract between you and your insurance company only. We are not a party to that contract. You are responsible to know what your deductible balance is and whether you have an additional co-pay for diagnostic procedures, which would include sleep studies.

If you have a dispute over a balance because your insurance company did not pay in accordance with any kind of pre-authorization, please understand that this dispute is not with our office but is with your insurance company. This balance is due in full on receipt of a Patient Statement from the Sleep Institute which will be sent to you after insurance company determination of benefits. We will continue any proceedings needed to collect this balance.

No Insurance Policy

The Sleep Institute has a patient discount for patients without insurance. Ask your care provider for details if you do not have insurance. Patients without insurance must pay the full amount at the time of service, unless a payment arrangement is approved **prior to** an appointed service.

I authorize that I have read the entire financial policy and I understand and agree with it.
