

JPC Mission Opportunities

FOOD BOXES:

JPC fills food boxes and delivers them to families who need help at Thanksgiving, Christmas, and Easter. Boxes are also available during the week for families in need. In 2019, JPC filled over 400 food boxes. At Christmas we have an Angel Tree with all the families' names on angels that members take from the tree and purchase gifts for the children. There is a "wrapping" party with the mothers at the Joy House
