NEW LIVING EXPO ANNOUNCES 2019 SPEAKER LINEUP

Schedule Includes Top Influencers Marianne Williamson, James Van Praagh & Carolyn Myss

SAN MATEO, CA – February 25, 2019 – The New Living Expo (NLE) announced its 2019 speaker lineup which features over a hundred influential authors, experts and practitioners who will present various lectures and workshops April 26-28 at the San Mateo Event Center.

“We once again have brought to the event a wide variety of presenters from varied backgrounds and perspectives,” said Ken Kaufman, co-founder and longtime executive producer of NLE. “The one common thread they all bring to the table is their unique and innovative ways of approaching conscious living and the future.”

Authors Marianne Williamson, Caroline Myss and James Van Praagh are joined by David Wilcock, Kimberly Meredith and Graham Hancock as some of the best-known presenters at NLE this year. This link gives the full up-to-date lineup: <https://newlivingexpo.com/schedule/>.

For the second consecutive year the event will feature a special Friday night screening of a documentary film: ***Searching for the Lotus-Born Master*** (<https://newlivingexpo.com/sessions/movie-tbd/>) on April 26 at 7 PM. The film’s director Laurence Brahm will be on hand to discuss the film.

The Expo’s sustainability program features a special Recycling & Zero Waste Pavilion organized by Portia Sinnott and the Northern California Recycling Association.

“Our bookstore is one of the most popular destinations at NLE, and is one of the largest of its kind at any lifestyle event,” said Kaufman. “Our attendees are thoughtful, curious people who read a lot. We’re very proud of that!”

The bookstore is booked solid with author signings all weekend. The event also features DIY panels, 180+ special exhibits, Yoga classes, QiGong demos and natural food sampling and dining in the Food Pavilion.
