In the afternoons, students will take part in exciting activities and field trips, and join either our Athletic or Artistic club. ## WHERE DOES THE PROGRAM TAKE PLACE?

### THE CITY OF VANCOUVER

As one of the world's most famous cities, Vancouver offers a wealth of sight-seeing options and activities for anyone visiting. Whether it is enjoying the beauty around Stanley Park, taking in the sights or viewing the city from high atop Grouse Mountain, there is something for everyone to do. Home to the 2010 Winter Olympics, Vancouver is often praised as one of the most beautiful cities in the world. When you come to visit, you will surely understand why!

### UBC CAMPUS GROUNDS & CLASSROOMS

English Classes are approximately 12 hours of study per week, and the curriculum will be determined by both age and English ability. Whereas both groups will study the fundamental skills needed to communicate in English, such as listening, speaking, grammar, reading, writing and pronunciation, the more advanced students will learn about goal setting and will have curriculum based around leadership skills. Our unique and original textbooks will be provided. Clubs are an opportunity for students to develop their English while practicing and learning other new skills. Students will choose to either join our athletics program or our artistic program. In each of these, the students will begin by practicing skills related to the club and then have the opportunity to put their skills into use, whether it be through competition in athletic clubs or presentations of their works in the artistic clubs.
