Greetings Brothers and Sisters in Christ,

Our Faith Formation class for ages 2-8 will be offered through "At Home" Monthly Kits during COVID-19. Families in our congregation and community are able to register for a monthly, free family kit that includes weekly Bible stories, songs, crafts, and activities.

Our first At-Home Kit for Sept./Oct. will include supplies for 5 weeks of Faith Formation. We are asking those who are interested to pre-register by Friday, September 18 so we can ensure we have enough supplies. The registration form is found here: <http://bit.ly/blchomekit1> and will be posted to our website and Facebook page. Stay tuned for November & December's kit registrations!

Families will be able to pick up their kits on Sunday, Sept 27 at the time of outdoor worship service (9:30 am; weather pending) or Wednesday, Sept 30 from 5-7 pm. We are also able to drop-off kits to front porches in our community and will mail kits to members of our congregation who may live outside of our area.

Like this summer's VBS, our volunteer opportunities are again different for this alternative program. But we still need you!

- Pray for the kids and families who will learn about and experience God's love through Bethany Lutheran Church
- Share our At-Home Faith Formation Kit details on your social media page and invite kids in your family and neighborhoods to join us! We would love to reach as many children and families as we can.

Thank you for your prayers & support with Bethany's children & youth ministry. If you have any questions, you can direct them to Kristin McElhinney (mkmcelhinney@gmail.com) or blcsecretary@lcom.net.
