

MISSION

The Housing Alliance is a statewide coalition working to provide leadership and a common voice for policies, practices and resources to ensure that all Pennsylvanians, especially those with low incomes, have access to safe, decent and affordable homes.

We promote common-sense solutions to balance Pennsylvania's housing market and increase the supply of safe, decent homes for low-income people.

WHAT

We serve as the trade association, watch dog and sometime lobbyist for the nonprofit housing sector to increase the power and resources available to address the pressing problems of our disinvested communities. We have three main programs : 1) Research/Information Services, 2) Education, Training/ Technical Assistance; 3) Outreach/Civic Engagement.

WHO

The Alliance provides reliable, timely, relevant and useful information to about 10,000 people statewide; education and training to about 4,000 people a year, as well as promotes legislation that serves the most vulnerable populations in the state.
