

**LOVING HAND-CRAFTED FERMENTS CREATED BY A SOULFUL TEAM OF LOCAL BREWERS, FARMERS & HEALTH PROFESSIONALS**

Our motto 'People, Planet, Profit' is materialized by brewing kombucha and other gut loving ferments with only the freshest certified organic ingredients. Everything in your Buchi products is sourced from local, certified organic Australian farmers (or local/fair trade).

Since our beginnings we have always been committed to brewing much the same way it has been over the last 2000 years. The mission of Buchi is to produce premium, local, sustainable ferments for everyone.

Buchi's focus is on brewing locally and using only local, certified organic ingredients but has a global view allowing for expansion into new regions within Australia and beyond.

Buchi Brew Co. is founded by a Brisbane family with a background in nutrition and organic living and on a mission to connect community, making life bigger, heartier, and healthier
