

Be An Angel is a non-profit 501 (C)(3) whose mission is to improve the quality of life for children with multiple disabilities or profound deafness by providing needed adaptive equipment and select services.

Imagine a child unable to move on their own, depending on someone else for any kind of movement or a child unable to make a sound, not being able to hear what those around you are saying.....

NOW IMAGINE... Being able to open the world to these children!

Most of our children come from low-income families unable to provide the needed resources such as wheelchairs, hearing aids, respite services, and so much more, which is why they can count on Be An Angel to be there for them. Because we take no Federal, State or local government funding, we solely depend on the generosity of our donors around us.

You too, can be an **ANGEL** by being part of our 3rd Annual Purse Bingo!!
