

Hello!

My name is Kristen Marrs and I work for South Adams County Fire Department as one of their Fire Prevention Officers and Life Safety Educators. I started my career in the first responder world as a 9-1-1 dispatcher for Adams County Communications. I joined South Adams County Fire as a volunteer fire fighter and EMT in 2015. I then joined the Fire Prevention Division just over a year ago and have loved every minute of it! I enjoy getting out into the community and working with them on a more personal level than I did as a volunteer fire fighter. I enjoy working hand in hand with the fire and EMS crews and helping them educate and protect our citizens.

I am a proud mama of 2. I have a 14 year old son and a 10 year old daughter. They keep me young and alive. We enjoy our sports and playing outdoors any chance we get. We love us some baseball but my son is a big time football player. I'm a Colorado Native but absolutely love, love, LOVE the ocean and will someday live on the beach. I support life goals!

I am happy to be a part of the CRRN board and look forward to many more years learning and supporting community risk reduction on our communities.
