Lake County League of Women Voters

July, 2019

Welcome to the 2019-2020 League Year, the relaunch of our newsletter as well as our website. Our Facebook page will also offer information. We plan to bring you information relevant to you. In the past, thanks to our previous President, Glen Gross, we brought you programs about lead and radon, economic development - by our commissioners and Port Authority, senior services, Free and Fair Elections, Project Hope, Lifeline, and mental health services to name some. We will continue with programs that cover education, 2020 census, global warming and Lake County Jail. We will continue with Meet the Candidates/Issues as these are one of the most important meetings we do - to introduce candidates and issues along with Q&A so you the voter have needed information before you vote.

Our board meetings are the first Monday of the month, unless noted and are open to all. Our programs are the 3rd Saturday, unless noted. Bring a friend!

Again, I look forward to an interesting and busy year.
