President's Letter

It has been another busy month for the League! We moderated Meet the Candidates at Breckinridge, Kirtland, Concord, Willowick and North Perry. Attendance at each was great and appreciated by the candidates. Thank you to our dedicated team who helped make these forums a success.

The League had their first program October 19 at Mentor Public Library. Our speakers were Susan Licate from the U S Census Bureau and Commissioner John Hamercheck who is the Chair, David Radachy, Vice Chair and Donna Tyson. They are the members of the Lake County Committee for Census 2020. The panel explained the importance of counting everyone in Lake County. One of common reasons for the count is that the Census determines how many representatives a state will have in Washington DC and Columbus. However, the statistics are also important for monies received in the county, schools, social services, etc. Therefore, it's very important to answer the Census questions in 2020.

Our next program will be November 16 at the Mentor Public Library from 10am-noon about education.

Continue to check our website and Facebook for updates.
