## A message from LWV Lake County President

Happy New Year 2020! I hope everyone had a great holiday season with family and friends. The League will be busy this year - being an election year. We will start with planning in January - looking at National League priorities. In February we will be celebrating our 100 years. It's also 100 years for the 19th Amendment.

Two important dates are February 18 - last day to register to vote for the March 17 Primary.

Census 2020 is upon us and is a National Action. The count we do every decade is not only to know the population of the United States, but also determines our representation in Washington DC and our States as well as dollars funneled back to our states and municipalities for a myriad of important projects. Spread the word of COUNT EVERYONE.

Since it is the 100th anniversary of the 19th amendment - the State League website has a list of books regarding this subject as well as a printable article about a scholarly discussion on the suffragette movement.

Keep checking our Facebook page as well as our website for updates.
