A message from LWV Lake County President

Happy February! I don't know if the groundhog officially saw his shadow but one snow storm and one ice storm is enough winter (and the snow blower worked) - time for spring - 6 weeks or so!

Thanks to Mother Nature our January program was cancelled. We will be doing the planning meeting at our March board meeting.

Lake Erie College opened their yearlong program honoring the Suffragette Movement on January 15 with an interview with Susan B. Anthony, Victoria Woodhull, Frances Jennings Casement, and Jane Addams. The interview was conducted by Women In History. On February 12 there was a re-enactment by LEC community members who "signed the Declaration of Sentiments," just as attendees of the first women's rights convention in 1848 did. This was at the Holden Center. We also held voter registration at Lakeland Community College February 11 & 12.

February 18 is last day to register to vote for primary election on March 17.
