

# Athletics Permission Form

During the course of the school year, we play many athletic games at our sister WELS schools in San Diego county. If your child is in grades 3-8, and will be participating in volleyball, flag football, basketball, or softball this year, I would ask that you sign this permission form to allow your child to ride along with the parent volunteer drivers. This form will be kept on file for the season for each of our away games during the 2013-2014 school year.

-----

I give my child, \_\_\_\_\_, permission to accompany the Shepherd of the Hills athletic teams on away games. I will not hold the school, church, or any driver responsible for any accident, as proper supervision will be exercised.
