

# WOLF TRACKS NEWSLETTER

*Guided by Faith, Driven by Excellence*

SEPTEMBER 21, 2020

## PASSAGE OF THE WEEK

Psalm 91:11 – For he will command his angels concerning you to guard you in all your ways.

## FAMILY CHAPEL

Last week Wednesday, we had our first family chapel service of the year out on the patio area near the grill. We are going to try it out with just the students for a couple of weeks before we open it up for parents to join. When we are ready, I will let everyone know through the school newsletter.

## SAN DIEGO COUNTY AND COVID

If you are keeping up with the news, you have heard that it is possible for San Diego County to move into the purple tier with a rise in COVID positive cases. If the county were to move into the purple tier, we are still allowed to have in-person classes. Since we received the waiver and since we opened while in the red tier, the restrictions for the purple tier concerning schools do not apply to us. We will continue to follow our COVID school reopening plan.

## PIANO LESSONS

Piano lessons will be on hold to start the school year. Our first goal is to work through the first month of school with our new classrooms and routines. We hope to offer piano lessons later in the school year. I will keep you informed when we are looking to start them back up.

## SCHOOL PICTURE DAY

Generally, around this time of year, we are communicating about the upcoming picture day. We will still have a picture day and work with the company to ensure that everyone is distanced and safe while pictures are taken. This year's picture day will take place at the end of October.

## ONLINE ART SHOW

Later this week, I will share a link to the online art show for our upper-grade class from last school year. They were unable to enter the pieces into the Art Fair, and we were unable to display them for friends and family to see. Feel free to share the link with your friends and family that would like to see the students' work.

Also, a huge thank you to Mr. Smith for his work and time that he devoted to teaching Art class. He is unfortunately unable to return to the classroom at this time, but we hope to have him back in the classroom soon.
