NOTES

Paid Sick Leave: Law covers diagnosis, care, or treatment of an existing health condition of, or preventive care for an employee or family member. FAQ clarifies preventative care may include self-quarantine as a result of potential exposure to COVID-19 if quarantine is recommended by civil authorities.

SDI & PFL: COVID-19 related claims require a medical certification from a treating physician or a written order from a state or local health officer.

Individuals may be eligible for state unemployment benefits. See state website for information on eligibility guidelines.
