

# How Christ used the word Ekklesia

Ekklesia How Christ Used The Word Ekklesia  
The Ekklesia Bible Translation

Matthew { 16:13 } Now when Y'ehsus came into the parts of  
Caesarea Philippi, he  
asked his disciples, saying, Who do men say that the Son of man is?  
{ 16:14 } And they said, Some [say] John the Immerser; some, Elijah;  
and  
others, Yeremiah, or one of the prophets. { 16:15 } He said unto them,  
But who say you that I am? { 16:16 } And Simon Petros [The Small  
Stone]  
answered and said, you are the Christ, the Son of the living God.  
{ 16:17 } And Y'ehsus answered and said unto him, Blessed are you,  
Simon  
son of-Jonah: for flesh and blood has not revealed it unto you, but my  
Father who is in  
heaven. { 16:18 } And I also say unto you, that you are Petros [the  
Small Stone]  
but in this Petra [the unconquerable mountain fortress], I will edify [the  
court of] my Ekklesia; and the gates of Hades shall not prevail against  
her. { 16:19 } I will give unto you [the court of my Ekklesia] the keys  
of the kingdom of heaven: and what so ever you shall bind on earth  
shall be bound in heaven; and what so ever you shall loose on earth  
shall be loosed in heaven.

Why do the most popular Bible translators mistranslate Matthew 16:18  
into the most horrendous false Bible translation.

Here is the truth and the fact is the only the reason why you have false  
Bible translations. First of all, it is the entrench religions of most all  
Bible translators and most all people who called themselves "Christian"  
are deceived and most believe that you do not need truth in Bible  
translations to be Saved. Most professing Christians believe you are  
saved by what you think as your "Faith" or only by what God has  
done for you "by grace alone" and therefore they are deceived to  
believe that you will never need truth to be "Legal" or "lawful" in  
keeping the instructions from God to be saved. They hate to be  
'Legal" or "Lawful" Bible teaching "Legalist" so they become "the

unlawful,” “The illegal” Bible teaching “Ill-Legalist.” Most so called divided Bible Religions of the world are people that do not believe they must have only truth in Bible translations of “doctrine” (true instruction from God) needed to be saved.

I will show you very clear that it is the Gates of Hell that has mistranslated all your most popular translated Bibles in Matthew 16:18. The Greek name “Ekklesia” is feminine so to translate the Greek name Ekklesia correctly the word “Ekklesia” must be translated “gender inclusive” as “Her.”

“No element of **Greek** language is of more importance to the student of the **New Testament** than the matter of tense.

As A Verb. Matthew chapter 16 verse 18 Christ describes when he is edifying, “My Ekklesia” is EXPRESSED as “WINNING THE WAR AGAINST THE GATES OF HELL” only when “CHRIST IS EDIFYING” to “UNITE THE SAINTS OF GOD.” Christ Said His “Ekklesia” will win only through warfare or conduct of the Ekklesia. Expressed is the continual hot competition being made between The Ekklesia of Christ a war being made against the “Gates of Hell.” When Christ is edifying through conduct of Ekklesia the gates of hell can not prevail or can not deceive the Saint and lead the Saints of God into hell. When God (Christ) is not edifying the Saints in the war, The Saint but not the Ekklesia of Christ will lose this war being made against the Gates of hell. Without conduct of Ekklesia the Gates of hell will overcome or divide the Saints of God.

Here is an example of the Saints of God in the everlasting kingdom of God Being Prevailed over by an Roman emperor named Constantine.

If Christ said when he edifies his Saints then his Saints that make up the Ekklesia will prevail or win in the war between the Saints of God in the war against the “gates of hell” When Christ is edifying in warfare the Saint will unite to win the war against the gates of hell and the Gates of hell will not prevail over the Saint to overcome or divide them.

What University professor or what English word dictionary or Greek Lexicon gives this true word definition for the “Ekklesia” of Christ? All university professors, all Dictionaries and all Bible Greek lexicons only give word definition for “Ekklesia” as describe what is the Ekklesia of Christ as only being the blasphemous name of a “passive” (None warfare) “Church.”

Ancient Common (Koine) Bible **Greek** verbs have four **moods** (indicative, imperative, subjunctive and optative), three voices (active, middle and passive), as well as three persons (first, second and third) and three numbers (singular, dual and plural).
