Which True Church will God save?
All Churches Are A True Church
The church of Satan in San Francisco is a true
Church.

Truth is the God of the Bible did not start any kind of
any Church.

Truth and sometimes true history is so shocking that
the truth becomes too hard for some to believe.
Truth is, The God of the Bible did not say that He
will save anyone in any true Church. Anyone that can
read the ancient languages of the Bible can easily see,
The word “church” is not written just once in the
ancient manuscripts of the Bible. Anyone that reads
the ancient Greek language of both the Old
Testament Septuagint and the New Testament can
easily see the word Ekklesia in word definition is
nothing like the pagan “Circe” a name of a pagan
goddess that has evolved over the centuries to
become the modern word “church.”

If you are only in a true church then the God of the
Bible gives us warning He will not have mercy on
us, because, from heaven He give us warning and He
calls us to come out of all churches or else we will

suffer as the plagues of being in a church (See Rev 18:4-5) and if we stay in -any true Church. Who really can believe that our God is calling his people from heaven to come out of all Churches that are made first by “the great whore?”

Truth is The God of the Bible only Established His “Ekklesia.” The God of the Bible gives instructions only for conduct of His Ekklesia and if your church does not conduct selves like his Ekklesia then the fact is, you will not be saved in any church.

To deceive the Saints, The word “Church” is falsely mistranslated into the English language by devils as being word equivalent from the Greek word “Ekklesia.”

In the entire world, there is no word equivalent for the Greek word “Ekklesia. The name “Church” is not translated as a true word Equivalent for the Greek word Ekklesia.

Then the Greek word Ekklesia must be transliterated into other languages and the Bible student must learn what is word definition for the Greek word Ekklesia

A world of people hate the instructions that God has established for the conduct of hot militant warfare of His Ekklesia and they choose rather to stop “Ekklesia” and become only a true passive name “Church.” There is a world of Pope, priest, preachers and Bible teachers that hate with a passion the true word Ekklesia. Anyone that cares less for truth and the only reason they are preaching and teaching is for money, power and prestige they hate with a passion Ekklesia. “Ekklesia” allows members to make dispute over any apparent false instructions making the claim to be from God. The deliberation must be made before the entire congregation of the Ekklesia and only the Ekklesia is to determine what truth is. Now it is easy to see why most false Bible teachers hate Ekklesia.

Since the God of the Bible did not establish anything like any true Church then why would you want to name self a “Church?”

Question Why want to become a church only because there are a world of people that hate the warfare conduct of Ekklesia and they hate the instructions that God gives to his Saint to conduct selves in hot militant warfare of his Ekklesia.

Why do I see the word “Church” written in every translated Bible in the world except “The Ekklesia Bible translation?”

Because the people, The Roman Emperor and rulers of the Catholic church hated and stopped the instructions that God has established as Ekklesia, that is the only reason why you now see the word Church mistranslated in your Bibles.

In the early fourth century The Roman Emperor and rulers of the Catholic church stopped allowing conduct of Ekklesia and they totally stopped allowing Ekklesia (the Latin Ecclesiam) and then started the name that has evolved over the centuries to become a “church.” Now pay close attention, it was the Catholic church that has made the first so called Bible translation into your language.

What is the First Bible written into the English language and who made the first Bible translations into the English Language?

1) The Wycliffe Bible Time AD 1385.

The First English Bible translation was made in the English in 1385 CE.

2) The Name of the Bible translator.

John Wycliffe a member of the Catholic Church.

Wycliffe Bible translation Mat 16-18

18 And Y seie to thee, that thou art Petre,
And I Say to thee, that thou art Peter

and on this stoon Y schal bilde my chirche
(pronounced “Kirke”),
and on this stone I shall build my Kirke

and the yatis of helle schulen not haue miyt ayens it.
and the gates of hell shall not have might against
it

3) What manuscript was the source of this Bible translation.

Take careful note; No trusted or reliable Bible manuscript of the Bible was used in the Wycliffe Bible translation. This Wycliffe Bible translation was made from both the Catholic Catechism and the Latin Vulgate.

The name “Church” John Wycliffe had to have copied directly from out of “the Catholic Catechism” and translated into the Wycliffe Bible because, the name “church” is not written just once in the Catholic Latin Vulgate. The Latin Vulgate only has the Latin name of Ecclesiam.”

Today -All the most popular Bible translations copy names of blasphemy made first in this Wycliffe Bible

translation. The name “Church” a name of blasphemy, is just one of many names of blasphemy made for pagan worship that is copied from the Wycliffe Bible and is mistranslated into all the most popular Bible translations.

Now this is the honest truth of the facts that no honest person can deny, the very first organization in the entire world to identify self as a Church is the Catholic Church.

This also is a fact the Catholic Church is the mother of all churches in the entire world. Believe the true teaching of the Catholic Church; the members of the Catholic Church is telling us the truth, the Catholic Church is the first church ever to exist on planet earth.

Don't believe the Catholic church when she is teaching it was God that established any kind of any Church.

Here is a fact you can bank your eternal life upon this fact, The God of the Bible did not start any kind of any church.

The problem is the God of the Bible did not start anything like any kind of any “Church” in the entire world.

Then you question Why is the word “Church” written in the Bible if the God of the Bible did not start any kind of any church?

The word church is written in the Bible because the first Bible translation that is made in the English is made by members of the Catholic Church that hate the warfare Ekklesia that is in continual warfare being made against the false teaching of the gates of hell (Mat 16:18). The Ekklesia of Christ fights a continual warfare for true instructions (the Catechism) from God.

The Catholic church changed the name Ekklesia (the Latin name Ecclesiam) to the pagan word “Church” to deceive their church members and to stop allowing the warfare function in conduct of warfare of The Ekklesia of Christ that determines true instructions from God.

All deceivers teach to deceive when they teach the lie that the name “Church” is supposed to be a name equivalent for the Bible Greek word Ekklesia.

It was the Catholic Church that has translated your Bible that has the name church and the members of the Catholic church are the culprits that has

mistranslated your Bible and put the false name Church in your false translated Bible records.

In history truth is the Catholics were the first to call self a “church.” Truth in history is the modern word “church” has evolved over the centuries from the derivative from the pagan goddess with the Latin name of “Circe.”

In the early fourth century at the beginning of the catholic church, The pagan goddess of the name “Circe” was a goddess of sexual fertility and round things. For the Roman rulers that were worshippers of the pagan goddess “Circe worship” or “circle worship” made to the sexual fertility goddess “Circe.” Take note the worship to the goddess Circe was made in buildings that were made double round a large round room and an small round room called the apse. “Circe” or “circle worship” was very popular in the early fourth century and was Circe worship was competing with the Christian worship. The goddess Circe and Constantine the Roman Emperor that started the Catholic church made double round buildings for Christian to mix Christian worship mixed together with pagan worship and these round buildings still stand today as a witness to show who has started the first church.

The pagan Latin goddess whose name is "Circe" is
The same Latin goddess whose name is "Circe" is a
direct adaptation from the Greek word "Kirke."
Truth in history is the Catholic church were not the
first to name self from the derivative of the pagan
name "Circe." The pagan name "Circe" the
derivative of the name "church," has over the
centuries evolved to become the modern name
Church.
