

SUSTAINABILITY SYMPOSIUM

Building Bridges to Sustainability

Friday, March 8th, 2019
10:00 am - 6:00 pm
Portland Community College,
Cascade Campus

Sponsorship Overview

The Greater Portland Sustainability Education Network, Portland Community College, and community partners are co-hosting our second annual Sustainability Symposium at Portland Community College, highlighting academic and community research and cutting-edge programs focused on sustainability in the greater Portland region.

This year's theme is "Building Bridges to Sustainability" and will bring together community leaders, faculty, students, and business to discuss the most pressing sustainability issues of today. Join us in learning about and celebrating the amazing sustainability work in our region.

This event is available, in part, thanks to our sponsors. Please read more about how you and your organization can become a sponsor and participate in this meaningful event.

The Sustainability Symposium brings together a wide array of organizations and individuals working on sustainability including:

- Schools and Higher Education
- Non-profits
- Government representatives
- Businesses
- Community Members

About GPSSEN

As a United Nations University-recognized Regional Center of Expertise on Education for Sustainable Development, GPSSEN's mission is to connect diverse organizations in a collaborative network that multiplies our collective capacity to educate, empower, and engage for a sustainable future.
