Adoption Requirements:-----

Adoption requirements:

Adoption Limit - There is a limit of 2 equines per adopter and their immediate family.

Adequate Horse Facility - Adopter must have a safe pen and shelter either natural or man-made for the horse. Adopted horses can live at a boarding stable but adopter must let the owner of the boarding stable know if anything happened to them the horse is to come back to our shelter.

Photo ID - You must bring photo ID identification with you.

Adoption Application - All potential adopters must print off and fill out the adoption application form. They must bring the adoption application along with photos of where the horse will be staying to HPHS. Our adoption specialist will talk with the adopter and help them find their right horse. We do a criminal background check on adopters.

Photos - A minimum of printed 5 photos must be brought to the adoption event of where the horse will be living. We keep the photos. If you do not bring printed photos that match Google Earth of where the horse will be living we will not adopt a horse to you.

First Right of Refusal Agreement - All adopters must sign a first right of refusal agreement for each adopted horse. If the horse is not the right match for them they may return the horse to Horse Plus Humane Society and/or exchange it for another horse at our shelter in Hohenwald at any time during business hours in the future. Adopters are responsible for returning the horse to Horse Plus Humane Society and any costs involved with transport.

We reserve the right to deny any adopter without explanation. By signing this document you agree that all of the above information is correct. You agree to hold Horse Plus Humane Society harmless against any liability issues involving you or your family. You understand that Horse Plus Humane Society staff can refuse adoptions for any reason without explanation.
