Praeses Continues Support of Community Renewal International
Croquet Tournament benefits CRI's Adult Renewal Academy

SHREVEPORT, LOUISIANA – May 31, 2017 – Praeses, a national leader in innovative software development and services, continued its support of Community Renewal International this year by sponsoring and fielding teams to compete in CRI's Annual Croquet Classic. Providing support for Community Renewal and its programs constitutes an important part of Praeses' humanitarian and outreach efforts.

The Croquet Classic is Community Renewal's signature event. In 2017, the tournament brought together 42 teams and 25 volunteers to compete, raise awareness for and support Community Renewal's mission of building safe and caring communities.

Event proceeds benefit Community Renewal's Adult Renewal Academy (ARA). The ARA is a faith-based, holistic, educational program for adults located in vulnerable Friendship House neighborhoods. Community Renewal provides students opportunities to improve their educational competencies, work towards receiving the equivalent of a high school diploma, attain college-level credits, become proficient in a trade, learn Biblical values and life and job skills to help make life better for them and their families.

About Community Renewal International

Community Renewal International (CRI) is a faith-based, non-profit organization that brings together caring partners to restore the foundation of safe and caring communities. Founded in 1994 after more than a decade of planning, CRI is today an international model for all cities looking to bring renewal to their communities. The organization focuses on three primary strategies — Renewal Team, Haven House and Friendship House — to connect caring people and turn neighborhoods into safe havens of friendship and support. The result? Major crime has dropped an average of 52 percent in Friendship House areas!
