

Let's clean up our watershed!

Volunteers are needed to help the Mt. Lake Community Association clean up a 2 mile stretch of roadway along the Pequest River. The Mountain Lake Watershed is a small watershed within the Pequest Watershed - so what gets littered in our watershed, floats downstream.

This event is being done in partnership with the Warren County Clean Communities Program and in honor of National Make A Difference Day!

When: Saturday, October 21, 2017

**Where: Meet at corner of Shire Road and Townsbury Road.
Parking is available along Shire Rd.**

Time: 9:00 - 11:00 am

We will provide vests, garbage bags, and water. Please bring your own gloves and dress for the weather.

Register at mlca.wag@gmail.com or call Shannon at 908.475.5122. Every set of hands, helps us make a difference! Let's make a difference together!
