First Colonial Crew Club is a high school rowing team that competes locally and regionally. Because we do not receive any financial assistance from the school or the Virginia High School League, sponsorships and donations are very important to our team. Sponsorships by local businesses and individuals help to provide athletic opportunity for hundreds of students in Virginia Beach. You can literally change lives in our community by sponsoring better fitness and collegiate opportunities. Please consider making a tax-deductible contribution to the team through the First Colonial Crew Club Auxiliary, Inc. Personal sponsorships are also welcome. Our tax ID number is available to those who request it. Those donating over one hundred dollars will receive a receipt from the FC Crew Club Auxiliary, Inc., which is a non-profit organization with 501(c)(3) status.
