Reporting "Common Area" Problems and/or CC& R Violations

We would like to again thank those residents who have notified our office of common area problems (i.e. broken sprinkler heads, burnt out exterior lights, etc.) and ask that you continue to let us know when these problems occur in the community.

CC&Rs violations should also be reported to our office via e-mail to slenarz@asi-hoa.com. We ask that you provide us with a detailed description of the violation and where the problem is occurring. Your *confidential* assistance enables our office to address these issues promptly and effectively.
