

## NOTICE TO MILL RIVER CONDO RESIDENTS

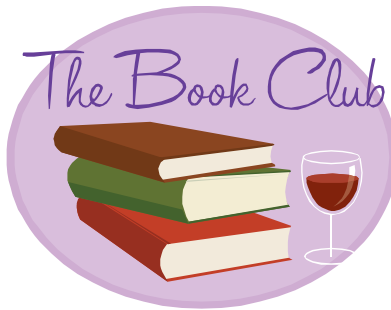

Snow season is here! We would like to remind residents that during snow accumulation, please park your vehicle(s) in your garage so that the plow crew can keep the parking lots cleared. Parking behind your garage door is prohibited as this is not a designated parking area.

Please be extra careful when walking along the sidewalk as ice can build up in certain areas. If you do notice an excessive amount of ice build up, please notify ASI as soon as possible, (208) 676-8626.

**Railroad Tracks** - We have received word from the City of Coeur d'Alene that BNSF plans to abandon the railroad tracks in the Mill River development area still moving forward. A bridge in the Atlas Mill area is slowing the process down. There is still a possibility that it could happen by the end of this year or early next year.

**Trash Container Area(s)** - There have been several complaints about residents throwing their garbage bags over the fence rather than directly into the dumpsters. Throwing your garbage bag(s) over the fenced trash area creates a mess which the sanitation workers are not obliged to clean up. Additional clean-up can result in additional expense to the Association. Please place trash bags directly into the containers.

Also, make sure that the gates to the trash areas are closed and latched.

**2010 Annual Members Meeting** - Due to the volume of information to send, ASI will be doing a separate mailing of the 2010 Annual Meeting Minutes, Y-T-D Financial Reports and the 2011 Budget. This will be mailed out before December 31, 2010.
