

APRIL 2015 PACKAGE DELIVERY

The Association has received reports of packages being delivered and left at the limited common area condo patio area and then stolen.

Due to the reports of theft, UPS will no longer leave packages at your residence. UPS deliveries at the Mill River Condos have been locked.

The following options are available for package delivery:

- Choose the "My Choice" option for UPS Delivery. This option will allow you to sign for the package electronically before delivery;
- Make sure the package being delivered requires a signature for receipt and someone is available to sign for the package;
- Open a P.O. Box for deliveries;
- Have the package delivered to a neighbor or your work place for signature receipt.

If anything is ever stolen from your patio area, please call the Coeur d'Alene Police immediately at 208-769-2320 to make a report.
