

## MARCH 2015 – SIGNAGE

Spring, Summer and Fall seem to be the time that many choose to make the step to put their condo up for sale or conduct a private sale of personal items. With this in mind, please make sure to follow the policy in the Mill River Condo's Rules and Regulations as stated below:

Page 9 – **Garage Sales, Estate Sales, Yard Sales, Moving Sales, Etc.** – Private sales of any kind are not permitted in the Mill River Condos.

Page 12 – **Signs** – Signs (including but not limited to, commercial, **for sale**, political, etc.) are not permitted anywhere within the community (except for the developer's signs as set out in the Declaration/CC&R's) without prior written approval of the ACC.

Please be advised that these Community Guidelines will be enforced.
