May 20, 2021

Dear Friends,

On May 13, the CDC relaxed many of the requirements concerning Covid 19. The State of New York has now eliminated many of the restrictions that had been in effect. The Session has considered what steps we should take for our congregation. We believe that it is best to phase in the relaxation of rules for our Church.

Starting Sunday, May 23 the congregation may stand and sing hymns while wearing masks.

Beginning Sunday, June 6 at the 10:00 service we will have two sections in the Sanctuary.

- † The South/Courtyard side of the Sanctuary will be reserved for people who have been vaccinated. Mask wearing will be optional for this section.
- † The North/Main Street side will be open to everyone, but masks must be worn in this section.
- † Both sections will continue to be socially distanced.
- † The 8:30 service will continue to follow the present rules of masking and social distance.

We trust the new rules are clear and allow each family to make the best decisions for their household. The Session will continue to review the situation and adjust the rules as appropriate. Of course, we will continue to live-stream each Sunday. If you chose not to join us in person, we look forward to your participation virtually. The Session and I welcome any comments or suggestions.

Yours in Christ,
Rev. Greg Hall
