Pastor

June 18, 2021

Dear Friends,

As restrictions relax our rules are changing. For both services we will have two sections in the Sanctuary. The South/Courtyard side of the Sanctuary will be reserved for people who have been vaccinated. Mask wearing will be optional for this section. The North/Main Street side will be open to everyone, but masks must be worn in this section.

Yours in Christ,  
Rev. Greg Hall
