

Structure and Function Education - Group Registration Form

Course: Structure and Function: How the Infant's Structure Affects the Infant's Function

Please fill out the form below with all individuals in your group, starting with the group coordinator. Next, email the completed form to StructureandFunctionEducation@gmail.com. Upon receipt and review of your form, an invoice for full group payment will be sent to the group coordinator.

Upon completion of payment, all attendees will be emailed the information they need to enroll in the course, including thier own personalized coupon code. Please note: to qualify as a group, a single payment is required. Please contact us if this is not possible.

Group/Organization Name (if applicable):

	<i>First Name</i>	<i>Last Name</i>	<i>E-Mail Address</i>
