The University of Georgia in partnership with The Forum Institute.
In order to globalize this project, we have to attack it with a sense of vision and a bringing together of resources. Modern movements utilize technology and the internet to mobilize people globally.

What Needs to be DONE?

Needs to be a Strategic Alliance

This requires a movement

To do this, we have to have a strategic plan

The strategic plan requires a common vision

The vision is produced by leadership

5 year plan
Involves research, data management, centers of excellence, think tanks and clinical trials

Distribution of Information
3D Virtual Internet Sites

Impact on the Medical, Government and Public

This process provides credibility of the movement
Remember that funding is not the issue.
Leadership, clarity, and defining the organization are the issues.
Funding will follow!
