SSCP Constitution Revisions & History

October 26, 2007 Annual Membership Meeting: Membership approved the following four amendments to the October 17, 2004 constitution, subsequent to the required notification and full membership meetings. The SSCP Constitution has been updated to include these revisions (03.04, 04.01.02, 05.03.01 and 10.02):

[Explanation: this is a cleanup of what SSCP currently offers for the members. This also further protects personal information maintained by SSCP]

03.04. MEMBERSHIP RIGHTS

Membership privileges include the following: Voting privileges in all SSCP general meetings, one vote per member. The right to eligibility for committee positions. The right to accept nomination for the Governing Board, serve if selected. The right to attend any ShoeString Board or Membership meeting.

03.04.01. MEMBERSHIP PRIVILEGES

Membership privileges include the following: A membership card. Discounts for tickets to ShoeString productions, which are set by each production staff, if applicable. Access to Shoestring databases for the purpose of obtaining personal stats for the requesting individual. Access to reserved sections at Shoestring Productions as set by each production staff, if applicable. The right to attend any ShoeString Meeting.

[Explanation: Instead of maintaining membership from October 15 to October 14 of the next year, SSCP needs to track membership from the date a member submits dues. This makes tracking easier and understandable to all members and the Board.]

04.01.02. DUE DATE

Dues are due on or by October 15. If October 15 falls on a Saturday or Sunday, dues are due by the following Monday.

04.01.02 MEMBERSHIP TERM Membership begins the date dues are received by SSCP and expires one year from that date.

[Explanation: Cleanup of language defining the option to call additional Membership meetings. The current phrasing is confusing, thus necessitating the replacement of ANNUAL with MEMBERSHIP]

05.03.01. ADDITIONAL ANNUAL MEMBERSHIP MEETINGS

The Governing Board may at any time call a Membership Meeting. The Membership Meeting so called may not convene less than twenty days from the day of the call. Notice of the meeting shall be by mail to all the membership. Such notice submitted to the post office shall be postmarked not less than fourteen days prior to the meeting date, shall be deemed sufficient notice.

[Explanation: The constitution currently restricts any constitutional amendments to the annual October meeting. The intention of this amendment is to allow the Board, along with a two-thirds majority of attending members, to amend our constitution at any time of the year, given appropriate notification and input from the membership. This should help streamline our processes and allow us to flex with commonly accepted business practices and trends.]

10.02. AMENDMENTS

This Constitution shall be amended when a proposed amendment is read in a regular meeting of the membership, approved by a majority vote for reading at a Membership Annual Meeting, and read and approved without change at the next Membership Annual Meeting by a two-thirds majority of attending members, including Board members.
