## Employment Opportunity –

### Senior Paediatric Occupational Therapist

#### Range of options from part time through to full time hours

Sensory Connections is a well-established private paediatric practice located in Shenton Park. We provide a homely and well-resourced working space and a supportive and innovative team environment.

We are seeking an experienced clinician who is passionate about making a difference through improving outcomes for children and families and who shares our values. <https://sensoryconnections.com.au/philosophy/>

OT's in our practice work with children and families from early intervention through to school aged. Children presenting for OT services have a range of neurodevelopmental challenges including autism spectrum disorders, developmental delays, attentional and sensory regulatory processing differences, dyspraxia and other motor based challenges. The successful candidate will have the opportunity to participate in house training and mentoring including in the DIR/Floortime model, and to closely and collaboratively work with other OT's and SLP's in our team. <https://sensoryconnections.com.au/team>

#### Essential Criteria:

- Licensed with APHRA to practice as an occupational therapist.
- Minimum 2 years of full time post graduate experience working as a paediatric occupational therapist.
- Ability to work a minimal of 2 days per week ( part days are possible )
- Knowledge and experience as an OT working with children with sensory regulatory processing challenges, social emotional challenges, motor based and language and communication challenges.
- Demonstrated ability to manage own caseload with strong organisational and administrative skills
- An interest and understanding of mental health and infant mental health core principles and practice
- Demonstrated commitment to professional development.
