
MISSION STATEMENT

We give employees, employers, students and educators critical tools to navigate turbulent seas and get back to work by conducting timely, impartial, and thorough investigations.

VAN DERMYDEN MADDUX

Excellence as standard.

VALUES

INTEGRITY

We value integrity because it means we will not compromise doing the right thing even in the face of financial, reputational or other loss for the Firm.

FINANCIAL HEALTH

We value the financial health of the Firm because it is the collective reward for our work efforts, gives our employees an environment to grow, develop and excel, and allows us to implement our Mission Statement.

COURAGE

We value courage because it pushes us beyond our current limits so we can help more and more employees, employers, students and educators at a time when they are often the most vulnerable.

EXCELLENCE

We value excellence because we want to achieve mastery in our field, surpass even that which is expected of us, and provide unparalleled service to our stakeholders.

LEARNOVATION

We value learning and innovation because we are trailblazers in a cutting edge profession that is rapidly developing and there is no end to new concepts – and obstacles – that can help us become the premiere investigations firm in the country.

PASSION

We value passion because it naturally fuels excellence, ignites creativity, provides a natural reserve of energy, and keeps us motivated to help others.

FUN

We value fun because it brings us together as a team, helps balance the stressors of our work, and allows us to enjoy what we have created.

HUMANITY

We value humanity because we care about people's lives and we have a responsibility to share our gifts.
