Prelude, Procession of the Light

**\*Call to Worship**

One: Our lives often feel disjointed as though they were a valley of dry bones.

**All: We look to God to breathe life into us once again.**

One: The Spirit of God breathes hope into each and every one of us.

**All: We look to God to challenge us to be people who live in hope.**

One: Let us come to worship the One who offers us hope for renewal.

**All: We come to worship!**

**\*Opening Prayer**

**God of all compassion and consolation,**

**When our lives have become tired and we feel as if we do not know how to move forward, you invite us to be renewed by your love that became manifest in Jesus Christ and you remind us that your love is still a constant in our daily lives through the power of your Holy Spirit.**

**Open our eyes to see this gift and how we may share it in this world so that we may discover who we are by embracing who you are. Amen.**
