

## Tequila Mezcal Challenge Competition Categories

<p><b>Mezcal:</b> This is defined to be the overall category for the following sub-categories: Tequila, Mezcal, Sotol, Raicilla, Bacanora, Comiteco and Agave Spirits.          Note: It is the author's belief that mezcal of any sub-category should not be judged differently from others based upon production methodology such as organic, biodynamic, aged on barrels of different wood types, single estate, or any other term of differentiation other than the ones listed below. The category numbering scheme for each sub-category is based upon the one established for Tequila.</p>
