

Instrument Calibration Solutions

Calibration Services:

Calibration services are provided in accordance with the applicable requirements of ANSI/NC SL Z540-1 and ISO/IEC 17025, using standards with accuracies traceable to NIST or compared to nationally or internationally recognized consensus standards.

CALIBRATION CAPABILITIES...

AC Dielectric Test Set	End Rods, 0-40"	TTR Tester
AC Power Supply	Environmental Chamber, Temperature Only	RCL Meter
AC Surge Tester	Feeler Gage	Temperature Recorder
AC/DC Dielectric Analyzer	Force Gage up to 500lbs	Resistance Loop Tester
Angle Block	Function Generator	Decade Resistor
Backflow Preventer Tester	Gage Blocks	Ring Gage 0.125-8"
Barometer	Hardness Testers	RTD Calibrator
Bleed Air Test Set	Height Gage up to 36"	Scales 0-600lbs
Bonding Meter	HF Spark Tester	Scopemeter
Breaker Test Set	High Current Tester	Sling Psychrometer
Cabin Safety Valve	High Voltage Probe	Smart Scope
Cable Fault Locator	Hipot Testers up to 70kV	Combination Square
Cable Tensiometer	Holiday Detector	Steel Rulers
Cable Tester	Hot Plate	Sieves
Calibrator, Process mA/mV/V/Temp/RTD	Humidity Indicator, 2% or worse	Stopwatch
Caliper Master, 1-6 in	Humidity/ Temperature Transmitter	Straight Edge
Caliper up to 40"	Indicators	Surface Resistance Checker
Caliper/Depth Gage Kit	LC Meter	Surface Roughness Tester
Coating Thickness Gage	Levels	Tachometer
Controller, Temperature	Load Cell up to 500lbs	Tape Measure
Crimper	Loop Calibrator & Controller	Temperature Humidity
Current Probe, Shunts, & Transformers	Manometer	Thermocouples
Cylindrical Plug	Micrometer, Inside, Outside, Bore, Depth, Groove	Thermometer: glass, mercury, digital
Data Acquisition Unit	Microscope	Infrared Thermometer up to 400° C
Data Logger/ Recorder	Multimeter	Thread Plugs

DC Power Module	Optical Comparator	Thread Wires
DC Voltage Calibrator	Oscilloscope	Timer
Differential Probe	Oven Survey or point cal	Torque Wrenches up to 600 ft-lb
Digital Low Resistance Ohmmeter (DLRO)	Panel Meter	Torque Testers, upto 250 ft-lb
Dry Block Calibrator	PH Meter	Vision System
Dry Film Thickness Gage	Pin Gages	Wrist Strap Testers
Dynamometer/Pinch Gauge Set	Power Analyzer	Pulse Generator
Pressure Recorder, Transducer, Transmitter	Power Supply	Radius Gage
Protractor	Pressure Calibrator	Pressure Gage 0-10,000 psi

In today's demanding market, ICS understands the importance of quality, accuracy, and affordability. ICS provides complete metrology solutions for calibration and repair of electrical, mechanical and process control instrumentation to meet your most stringent documentation and quality system requirements.

Please call or email us your equipment list for calibration pricing.
