## BY THE GLASS

**YAMAHAI PLUM SAKE** 2 oz \$8.50 gls 300mL \$30.00 blt

Naturally infused with ume plum flavour for 6 months, this sake has a substantial amount of sweetness and acidity. Best enjoyed on the rocks, some preferring it with a splash of soda.

**UMESHU - GEKKEIKAN** \$6.95

Japanese plum wine. Sweet, lightly acidic and delicious. Plum Gekkeikan is made with the choicest plums from the world-renowned orchard in Wakayama in central Japan. To start or end your meal.

**BANZAI!** \$6.95

Cold Sake and Umeshu over ice served in traditional square Japanese cocktail boxes.

**SHOCHU EMMA** \$8.50

A distilled beverage often referred to as Japanese whiskey. This sweet potato alcohol has a nutty, earthy flavour that is bracing and strong.

## JAPANESE WHISKY

**SUNTORY WHISKY TOKI** \$12.00 single \$22.00 double

Bill Murray's favourite whisky - from his commercials in Lost in Translation. Japan's #1 selling whisky - popular in mixed drinks or straight, this silky whisky has subtle sweetness and spice finish.

**NIKKA FROM THE BARREL** \$18.00 single \$34.00 double

Considered one of the best whiskeys from Japan. It is full-bodied and punchy. This blended whisky has notes of winter spices and toffee. Recommended with a splash of water to calm the bold flavours and bring out the subtle caramel taste.

**AKASHI WHITE OAK** \$18.00 single \$34.00 double

One of the oldest and smallest distilleries in Japan (near Kobe) This blended whisky is aged in ex-bourbon casks to enhance the malty, leathery, smoky notes you'd expect from bourbon. White Oak refers to their headquarter location.
