

To Whom It May Concern:

I had the opportunity of presenting the The Polynesian Paradise Dancers in Morenci, Arizona on April 27, 2013. The show was an outstanding, authentic experience. There were approximately 500 in attendance and everyone went away totally impressed and entertained by the show that was put on. The dancers and live band were extremely entertaining; as well as professional from the moment they arrived at the venue.

The show was very engaging. Both young and old were treated to everything from traditional Polynesian dancing to flame and fire dancing, as well as music from the very talented and entertaining Hawaiian band. At one point in the show one of the musicians had 20 to 30 children following him around the out door venue.

I would highly recommend The Polynesian Paradise Dancers to anyone interested in a fun, entertaining, authentic Polynesian show. I will definitely have them again.
