

Seventh Grade Newsletter

Volume 8 Issue 32 ~ April 12, 2019

During Lent, let us find concrete ways to overcome our indifference. -Pope Francis

Ms. Aumann's Notes.....

Week 32....a busy week, especially for the track students. The track students had a track meet every night from Monday thru Thursday. Seventh grade is an important year as students really learn to balance school, homework, extra-curricular activities, friends, and faith. This week, I tried to give them study hall time and vary their deadlines. Today, it seemed we were all a bit tired. I hope my students find rest and relaxation this weekend.

Curriculum News

Religion-Chapter 8-The Saving Mission of Jesus. We worked on a parable worksheet. The students self-selected a parable and related it to their lives. We finished our workbook pages. Next week we will have our chapter 8 test. We discussed that this Sunday is Palm Sunday.

English- We work on direct objects and verb tenses (simple & perfect). We also worked on our poetry anthology book. Students created their own "I Wish You More" poem and a spine poem. They used spines of books to create a poem. Finally, we started working on a found poem.

Vocabulary- We started unit 13. We listened to a historical radio broadcast of the Hindenburg. Students will write their own radio script. We will finish unit 13 before Easter break.

Reading-We are in chapter four in *Roll of Thunder, Hear My Cry*. We are really getting to know the character T.J. by the way he treats others.

Science-We finished section three. Students did a great job jigsawing their part with their science boards.

Have a blessed Holy Week. May your thirst for the Lord be filled. Take care.

Look Who Did What!

Bailey & Claire-for interest in poetry this week

Ross- for being engaged in his book

Claire & Bailey- for ringing the bell

Jacob-for participating in reading discussions

Nicole-for her enthusiasm in photography

John-for representing SHS in the PJHS band's performance at Six Flags.

Wade-for helping with props for our play
