RE: Max Dollars for Education Program

We have a great opportunity again to raise funds through the **Max Dollars for Education** program at County Market. All that is needed is your Max Card and participation!

This year the Max Dollars for Education Fund is valued over **\$75,000**. The more participants we have, the better our chances will be to win a \$5,000 check for our school.

You can help our school earn Max Dollars by using your **Max Card** each time you shop at County Market from August 1 – December 31, 2019.

This program does not cost anything, and will not take away from your personal Max Rewards you are already earning.

Please fill out the Registration form shown below and return it to County Market or the appointed person at our school, or go online to mycountymarket.com and click on the banner labeled "Max \$ Sign Up". (***You must register – even if you were registered last year.***) ***It's that easy.*** The more you scan your Max Card, the better our chance to earn money for our school.

Use your Max Card and help us be part of the Max Dollars for Education Program!

Thank you.
